

## **I saw Walmart kicking Santa Claus**

*(to the tune of I saw Mommy kissing Santa Claus)*

I saw Walmart kicking Santa Claus  
Right out of the store into the night  
He didn't see me on the aisle where I did sneak  
I watched his abuse and saw a big tear run down his cheek

Then I saw Walmart fire Santa Claus  
Because for OUR Walmart he did fight  
What a laugh it would have been  
If the labor board had seen  
Walmart fire Santa Claus last night.

I saw Walmart kicking Santa Claus  
Right out of the store into the night  
He didn't see me on the aisle where I did sneak  
I watched his abuse and saw a big tear run down his cheek

Then I saw Walmart fire Santa Claus

## **Nice Christmas**

*(to the tune of White Christmas)*

I'm dreaming of a nice Christmas  
Just like the ones I used to know  
Where workers are paid well  
to stock, clean and sell  
On us respect they did bestow

I'm dreaming of a nice Christmas  
With every picket line I walk  
May your days abound with strike talk  
And may all your Walmart workers walk

## Deck the Aisles

*(to the tune of Deck the Halls)*

Deck the aisles with living wages,  
Fa la la la la, la la la la.

Walmart, you can't replace us,  
Fa la la la la, la la la la.

Today we do not sell apparel,  
Fa la la, la la la, la la la.

Instead we sing this Yule tide carol,  
Fa la la la la, la la la la.

Deck the halls with health insurance,  
Fa la la la la, la la la la.

Strike the harp and join our chorus.  
Fa la la la la, la la la la.

Sing we joyous, all together,  
Fa la la la la, la la la la.

Heedless of the wind and weather,  
Fa la la la la, la la la la.

## Walmart Sells

*(to the tune of Jingle Bells)*

Dashing through the store  
In a big blue Walmart smock  
O'er the aisles I tour  
Placing all the stock  
Cheap products that sell  
Making junkyard blight  
How sad it is to work in hell  
A feeling I can't quell

Oh, Walmart sells, Walmart sells  
Workers down a hole  
We work hard to move their stuff  
For pay in the toilet bowl  
Walmart sells, Walmart sells  
Walmart all the way  
Oh, how said it is our blight  
To work for crappy pay

A day or two ago  
I thought I'd take a break  
And soon my manager  
Shouted 'til I did quake  
The schedule lean and lank  
Misfortune seemed my lot

My break time dwindled and it shrank  
And then I got upshot

Oh, Walmart sells,  
Walmart sells

Workers down a hole  
We work hard to move  
their stuff

For pay in the toilet  
bowl

Walmart sells,  
Walmart sells

Walmart all the way
