HAVE YOU HEARD?

Walmart Moms Speak Out

OUR Walmart members are talking about how low pay, lack of hours and unpredictable schedules impact Walmart moms and we are making change.

Pregnant Walmart moms have called on the company to make sure we can work and have a healthy pregnancy and we have made change. Walmart announced that it was changing its pregnancy policy to ensure that women with pregnancy-related complications are given basic accommodations that will help Walmart moms keep jobs and provide for families.

Visit www.associatevoices.org/moms and find out more about this new policy and share your experience of being a Walmart mom.
