HAVE YOU HEARD?

OUR Walmart Workers Win ACCESS TO HOURS!

This spring because of the efforts of OUR Walmart you are now able to get more hours.

NOT ENOUGH HOURS? UNDERSTAFFED STORE? UNPREDICTABLE SCHEDULES?

Across the country associates face the same challenges and OUR Walmart members are speaking out and making change!

We are calling on Walmart to give us more hours, better schedules and more staff in our stores.

We are winning change! This year Walmart started a new system that lets associates sign up for open available shifts. Look on the Wire or WalmartOne to sign up for shifts and ask your manager to let your store know how it works.

Then go to www.associatevoices.org/schedules to share with associates across the country how lack of hours and unpredictable schedules are impacting you!

Stand up, Live better!
