

Black Friday Walmart Protest

Walmart workers are struggling to pay their bills. Meanwhile the Walton family – majority owner of the company – is building its \$149 billion wealth. The Waltons are robbing American workers and taxpayers in their effort to keep the title of richest family in the country.

Walmart's and the Waltons' low pay business model is not just wrong; it's holding America back.

Will you commit to join us on Black Friday if Walmart and the Waltons don't commit to giving workers a fair shot?

✓ *Yes, I'll be there on Black Friday!*
