

WINNING CHANGE AT WALMART: 500,000 ASSOCIATES GET A RAISE!

OUR Walmart members and supportive associates in over 2,000 stores across the country have taken action to make Walmart a better place to work and shop. In response, Walmart is raising its minimum wage to \$9 an hour by April & \$10 an hour by next February.

TIME

“...Walmart workers have proved they can move the most powerful retailer in the world to change. That means they, & others, can do it again.”

IT'S STILL NOT ENOUGH: FOR ASSOCIATES OR CUSTOMERS

Most of us, though, aren't getting a real raise. Walmart isn't putting more hours in our store. Over half of us are part-time and our stores are still understaffed. Without a real raise for all with consistent, full time hours & staffed stores, we still won't be able to pay our bills or serve our customers.

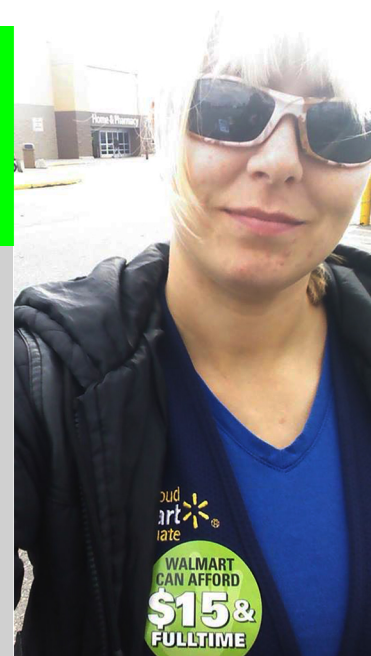

JOIN US AS WE KEEP PUSHING WALMART TO PAY \$15 & CONSISTENT, FULL-TIME HOURS WITH STAFFED STORES.
