REBELS

**WE ARE AT THE HEART OF
EXTINCTION REBELLION**

We are a chorus enacting the tragedy of
decisions made and opportunities lost.

We wear red to symbolise the blood we share
with life on earth.

We embody the non-violent principles of
Extinction Rebellion with love and fierce
resistance to the inaction that endangers us

**WE ACT AS IF
THE TRUTH IS REAL**

**JOIN EXTINCTION REBELLION IN A
NON-VIOLENT MOBILISATION FOR SURVIVAL.
