Comment [SSL11]: Name of bank that acquired your home at foreclosure

I realize that banks traditionally do not view themselves as landlords, even after acquiring renter-occupied properties. However, the passage of the Protecting Tenants at Foreclosure Act (PTFA) removes any doubt that banks are landlords after foreclosure. In addition, with the practical realities of the current real estate market most properties will sit vacant for an extended period of time if tenants like me are forced to leave.

Comment [SSL12]: Explain what has happened: Did you receive a visit from a real estate agent, a notice to terminate your tenancy, etc?

I urge you to adopt the attached proposal from Tenants Together and to allow me to continue to stay in my home as rent-paying tenant. I look forward to your written response to this letter.

Comment [SSL13]: Write a couple of lines about the impact that being driven from your home will have on you and your family

Sincerely, () ()
