CEREMONY SPONSORED BY THE PALM BEACH - TREASURE COAST AFL-CIO

**Please join us as we commemorate those who have lost their
lives due to workplace injury or illness.**

More than four decades ago, Congress passed OSHA promising EVERY worker the right to a safe job. Unions and allies have fought hard to make that promise a reality - winning protections that have made jobs safer and saved lives.

Nevertheless, year after year, thousands of workers are killed and more suffer injury or illness because of their jobs. Each year, on April 28, the unions of the AFL-CIO observe Workers Memorial Day to remember those who have suffered and died and to renew the fight for safe jobs.
