## TENANTS TOGETHER

California's  
Statewide Organization  
for Renters' Rights

### Consider Tenants Together for Cy Pres

One of the ways you can support Tenants Together, home of the Tenant Lawyer Network, is through Cy Pres awards. If you are a Tenant Lawyer Network member, litigating a housing case and anticipate funds being awarded, please consider a Cy Pres award to Tenants Together. Cy Pres funds awarded to Tenants Together will directly fund free tenant services, such as local legal clinics, know-your-rights education through our hotline, and member home visits. Tenants Together is a nonprofit organization (501c3) dedicated to defending and advancing the rights of California tenants to safe, decent and affordable housing. As California's only statewide renters' rights organization, Tenants Together works to improve the lives of California's tenants through education, organizing and advocacy.

If you would like to award Cy Pres funds to Tenants Together or would like more information, please contact Leah Simon-Weisberg, Legal Director of Tenants Together, at (415)495-8100 x 1002 or [leah@tenantstogether.org](mailto:leah@tenantstogether.org).

## Tenant Lawyer Network A Professional Association of California Tenant Lawyers

***Tenant attorneys are, and have always been, a key part of the tenant rights movement in California.***

Whether in private practice or at nonprofit organizations, tenant attorneys play an important role in championing the rights of tenants on a daily basis.

To support, encourage and promote their work, we launched our Tenant Lawyer Network of California.

We urge eligible tenant attorneys to join the network today.

## How can I join?

### 1. **Dues:** Annual dues are:

- \$250 for a lawyer in private practice.
- \$100 for a lawyer at a nonprofit.

\* *Contact Leah@tenantstogether.org for group rate information*

2. **Sponsorship:** To join the network, a lawyer must be sponsored by three (3) current members of the network. Current members listed at [tenantstogether.org/tln](http://tenantstogether.org/tln)

3. **Tenant Rights Certification:** The network is only open to California lawyers that certify ALL of the following:

- The lawyer seeks to represent residential tenants in housing matters
- The lawyer does not currently represent any residential landlord in a matter adverse to the interests of a residential tenant, and does not intend to undertake such representation in the foreseeable future
- The lawyer is committed to the defense of tenants' rights in California.

For questions or to apply, contact:

Leah Simon-Weisberg, Legal Director

*The TLN is not a lawyer referral service. The TLN is a professional association of California tenant lawyers.*

*As a member of the TLN, you are not required to share your fees with or pay any referral fee to the TLN or Tenants Together.*

## Why should I become a member?

Social justice lawyers of all types have professional networks that are invaluable to their practice and professional development. Ask any immigration lawyer, employment lawyer, or trial lawyer of any kind, and they will tell you how important these networks are. Yet tenant lawyers, until recently, lacked a statewide network.

If you are a tenant lawyer that seeks the solidarity, skills, support, potential clients, and substantive knowledge that comes from being part of a professional network, we urge you to join today.

*Ken Greenstein of Greenstein & MacDonald*
