

Effective Classroom Management: *How to Attain it*

10.5 ISBE PD Hours

This three session course will assist K - 12 grade teachers in learning new ways to effectively manage their classrooms through student engagement, motivation, collaboration, and differentiation. The participants read articles, view videos, and engage in individual, small-group, and whole-class activities that showcase “best practices” associated with effective classroom management. Teachers enhance their ability to manage time, promote positive behaviors, motivate students, plan classroom procedures, and maintain self-reflective practice. Participants develop effective professional habits of mind: collaboration, leadership, and reflection. **This offering is aligned to the CPS Framework for Teaching Components 2a, 2b, 2c, 2d, 4a, and 4d.**
