PREAMBLE

This Agreement entered into by the Township of Gloucester, hereinafter referred to as the "Township", and CWA Local 1014, hereinafter referred to as the "Union", has as its purpose the promotion of harmonious relations between the Township and the Union; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, and other conditions of employment. The effective date of this Agreement shall be January 1, 2017.

ARTICLE I – RECOGNITION

The Township recognizes the Union as the sole and exclusive representative for the purpose of establishing salaries, wages, hours and other conditions of employment for all full-time and regular part-time blue collar employees working in the Gloucester Township Public Works Department as reflected in the Certification of Representative, PERC Docket No. 98-19, except for temporary employees working under the Clean Community grant, community service, and/or on Prison detail and those persons who supervise these temporary employees on weekends. This recognition, however, shall not be interpreted as having the effect of, or in any other way abrogating the rights of the employees as established by the Laws of 1968, Chapter 303, and the amendments subsequent thereto, as well as the other laws of the State of New Jersey.

"Part-time" employees are defined as employees who are employed by the Township for thirty (30) hours or less per week.

ARTICLE II – CHECK-OFF AND AGENCY SHOP

- A) The Township agrees to deduct from the salaries of its employees, subject to this Agreement, dues for the Union. Such deductions shall be made in compliance with Chapter 123, Public Laws of 1974, N.J.S.A. (RS) 52:14-15.9e, as amended.
- B) A check-off shall commence for each employee who signs a properly dated authorization card, supplied by the Union and verified by the Township, during the month following the filing of such card with the Township.
- C) If during the life of this Agreement, there shall be any change in the rate of membership dues, the Union shall furnish to the Township written notice thirty (30) days prior to the effective date of such change and shall furnish to the Township an official notification on the letterhead of the Union and signed by the President of the Union advising of such changed deduction.
- D) The Union will provide the necessary "check-off" authorization form and the Union will secure the signatures of its members on the forms and deliver the signed forms to the Township.
- E) Any such written authorization may be withdrawn at any time by the filing of such withdrawal with the Township. The filing of notice of withdrawal shall be effective to halt deductions as of the next succeeding January 1, in accordance with NJSA 52:14-15.9e, as amended.

- F) The Township agrees to deduct the fair share fee from the earnings of those employees who elect not to become members of the Union, and transmit the fee to the majority representative.
- G) The deduction shall commence for each employee who elects not to become a member of the Union within thirty (30) days after commencement of hire.
- H) The fair share fee for services rendered by the Union shall be in an amount equal to the regular membership dues, initiation fees and assessments of the Union, less the cost of benefits financed through the dues and available only to members of the Union, but in no event shall the fee exceed eighty-five percent (85%) of the regular membership dues, fees and assessments.
- I) The sum representing the fair share fee shall not reflect the costs of financial support of political causes or candidates, except to the extent that it is necessary for the Union to engage in lobbying activity designed to foster its policy goals in collective negotiations and contract administration and to secure for the employees it represents advances in wages, hours and other conditions of employment which ordinarily cannot be secured through collective negotiations with the Township.
- J) The Union shall establish and maintain a procedure whereby any employee can challenge the assessment as computed by the Union. This appeal procedure shall in no way involve the Township or require the Township to take any action other than to hold the fee in escrow pending resolution of the appeal.
- K) The Township shall remit all dues and fees collected pursuant to this Article to CWA Local 1014 together with a list of the names of all employees for whom the deductions were made, no later than the 10th day of the succeeding month after such deduction is made.
- L) The Union shall indemnify, defend and save the Township harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the Township in reliance upon salary deduction authorization cards or the fair share assessment information as furnished by the Union to the Township, or in reliance upon the official notification on the letterhead of the Union, and signed by the President of the Union, advising of such changed deduction.

ARTICLE III – WORK SCHEDULE

- A) The regularly scheduled work week shall consist of five (5) consecutive eight hour days, Monday through Friday, or four (4) consecutive ten-hour days in accordance with current practice.

(1) In accordance with practice, Custodians may vary their work hours to help facilitate cleaning certain areas of buildings prior to the arrival of other building personnel. The custodian's schedule shall not impede the daily operations or schedule of other building personnel and/or activities. Hours may be varied only with the prior approval of the employee's immediate supervisor.

(2) So long as both a Custodian and a Laborer are assigned to a regular work schedule which includes the same weekend days (Saturdays and/or Sundays) as part of their regular work week, when one of the employees in these classifications is absent on a weekend day, the Township may assign out of title work on that weekend day to the Custodian or Laborer who is working and the absence shall not require the calling in of overtime unless the Township determines that overtime is necessary."

C) Neither the regular starting time of work shifts nor the work shift will change without seventy-two (72) hours advance notice to affected employees and without first having discussed the need for such change with the representative of the Union.

D) Employees shall be entitled to a fifteen (15) minute break in the morning and again in the afternoon.

ARTICLE IV – OVERTIME

A) Overtime refers to any time worked beyond the regular hours of duty. All paid time is considered time worked for the purposes of determining hours eligible for overtime pay.

B) Time and one-half (1 1/2) the employee's regular rate of pay shall be paid for work under the following conditions:

1) If the regularly scheduled work week is four (4) consecutive days, all work performed in excess of then (10) hours in any one day. If the regularly scheduled work week is five (5) consecutive days, all work performed in excess of eight (8) hours in any one day;

2) All work performed in excess of forty (40) hours in any one week;

3) All work performed on Saturday, provided that it is not part of the employee's regular work week and provided the employee has satisfied the forty (40) hour work week requirement. All paid time is considered time worked.

C) Double time the employee's regular hourly rate of pay shall be paid for work under any of the following conditions:

1) All work performed on Sunday, provided it is not part of the employee's regular work week and provided the employee has satisfied the forty (40) hour work week requirement. All paid time is considered time worked.

- D) Overtime work will be distributed as equally as possible among employees within the same classification. If no employee within the classification accepts an offered overtime, then it shall be offered, by seniority and as equally as possible, to employees who have the ability to perform the work. Except when the supervisor responsible can reasonably substantiate that the work being performed requires otherwise, all employees in the appropriate classification shall be assumed to have the ability to perform the work.
- E) For snow plowing during snow emergencies, overtime shall be offered first, by seniority and as equally as possible to Truck Drivers. All other overtime shall be voluntary. However, if an insufficient number of employees are available to work overtime on a voluntary basis, the Township may require employees to work overtime by reverse order of seniority within the job classification in which the overtime exists. Mandatory overtime shall be distributed as equally as possible.
- G) A list of all overtime worked per week shall be posted weekly by the Township including the name of the employee, their title, and the total number of overtime hours worked. A list of all overtime worked per week shall also be reported to the local Union Trustee and Shop Steward and recorded by employee name with total hours.

The only exception shall be for Prison personnel and then only where those personnel have been performing the same specific function over at least a previous consecutive six (6) week period. However, requests of the Administration for assistance on non-Public Works projects - such as newsletter mailing, food giveaways, etc., are excluded from the limitations of this section.
- K) When there is an emergency call that requires an immediate response and corrective repairs, a bargaining unit employee qualified to perform the work will be called in, in accordance with the provisions of Section D above, to perform the assignment. If the employee called cannot respond, and there is no other bargaining unit employee qualified and available to perform the assignment, the Township may utilize a supervisor or sub-contractor to perform the work.

ARTICLE V – CALL-IN TIME

- A) In the event the employee is called back to work outside of the employee's regularly scheduled hours, works four (4) hours or less, and the call-in time is not contiguous with the employee's regularly scheduled hours, the employee shall be paid four (4) hours pay at the appropriate overtime rate.
- B) In the event the employee is called back to work outside of the employee's regularly scheduled hours, works more than four (4) hours but not more than eight (8) hours, and the call-in time is not contiguous with the employee's regularly scheduled hours, the employee shall be paid eight (8) hours pay at the appropriate overtime rate.

ARTICLE VI – INSURANCE

- A) The Township agrees to maintain its current independent medical/hospitalization/prescription program, as it exists at the time of the signing of this

Agreement, for active employees and their dependents, with the benefits continued until retirement. Active employees shall contribute towards the health insurance premium pursuant to Chapter 78, P.L. 2011 regulations. These contributions shall be made on a pre-tax basis pursuant to an IRS Section 125, Salary Reduction Premium Only Plan, in accordance with the Township's regular payroll practices. No contribution shall be required if the employee declines health insurance coverage. Effective upon the signing of this Agreement, the Township shall make available a menu of medical benefits plans for employees to choose from. Effective upon the signing of this Agreement, the Township shall establish a "Base Plan" for all covered employees (see summary of base plan in Appendix B). The "PPO C" plan available to employees prior to the signing of this agreement shall still be available to employees. Employees selecting the "PPO C" plan shall be required to pay a premium contribution equal to the premium contribution for the new "Base Plan" plus the difference between the premium for the "PPO C" plan and the new "Base Plan".

- B) The Township agrees to provide for all active employees covered hereunder, and for those who retire with twenty five (25) years of service with the Township or who retire with an approved disability retirement in the State Pension System, and opt not to participate in the above-described program, a benefit up to \$4,500.00, subject to the limits set forth in N.J.S.A. 40A:10-17.1, to be used as determined by the Township and permitted by I.R.S. in accordance with a "menu", procedures, exclusions, requirements, etc. as determined by the Township. It is acknowledged that the existence of the "opt-out" benefit and the amount is subject to the discretion of the Township pursuant to N.J.S.A. 40A:10-17.1. All employees will receive a copy of the Plan Document which will include the "menu", procedures, exclusions, requirements, etc. Employees must have 25 years of service with the Township to be eligible to be eligible for the retirement benefit.
- C) To ensure that all employees are covered by a medical insurance plan, any employee who chooses the health benefit package stated in Section C will be required to provide written verification of medical coverage to the Township on a yearly basis. Failure to provide yearly verification will automatically disqualify the employee flex benefits under the health benefit package and coverage will revert back to coverage under Section A.

The employee shall also be obligated to provide immediate written notice to the Township of any loss, or decrease, in such other medical coverage. Failure to provide such notice of change in coverage shall result in disqualification from plan benefits and may also result in the absence of insurance coverage.
- D) The Township will continue to pay the necessary premiums for medical coverage for all employees who are laid off by the Township for reasons other than disciplinary, during the first 45 days commencing with the initial date of said layoff.
- E) Current employees who retire after 25 years of service with the Township or who retire

with an approved disability retirement in the State Pension System shall continue to receive Township benefits for medical, prescription, dental, and vision. Employees eligible for these benefits who had at least 20 years of service in the State Pension System as of June 28, 2011 shall contribute 1.5% of pension, meaning that their contribution shall be based on 1.5% of the monthly retirement allowance (inclusive of COLAs). Current employees who had less than twenty (20) years of service in the State Pension System as of June 28, 2011, who retire and are eligible for these benefits, shall contribute towards the health insurance premium based upon the contribution schedule set forth in Chapter 78, P.L. 2011, or 1.5% of pension, whichever is greater. Coverage shall remain in effect until the age of Medicare eligibility at which time the Township-provided coverage shall become secondary to Medicare. The retired employee and any eligible dependents must enroll in Medicare (Part A and B) in order to maintain Township-provided coverage after becoming Medicare eligible. The Township shall reimburse the retired employee the cost of Medicare B coverage for the retired employee and any eligible dependents. The Township agrees to provide up to a maximum of \$800.00 per year for a prescription/eyeglass/dental plan up to the date of eligibility for Medicare. Active employees and their dependents that are of Medicare eligible age will not be reimbursed for Medicare Part B, as the group health plan coverage for active employees is primary, and those employees are not required to enroll in Medicare Part B.

All retirees and their eligible dependents may choose between medical, dental, or prescription plans which are currently available to active employees.

Retired employees eligible for health insurance will continue to be provided coverage for life. Upon the death of a retired employee, the eligible spouse shall continue to be provided coverage as the primary member of the applicable health insurance plan for both the spouse and any additional eligible dependents.

In the event of an employee's death while actively employed, the surviving spouse and dependents shall continue to receive the medical plan the employee was on while active for a period of five (5) years after the death of the employee. The surviving spouse/dependents will be required to pay the Annual Employee Cost for Coverage on the Plan and Benefit level selected.

In order to be eligible to receive retirement health benefits, employees hired after the signing of this Agreement must have a minimum of 25 years of service with the Township. Employees who retire at 62 years of age or older after a minimum of fifteen (15) years of service with the Township shall be eligible to receive retirement health benefits through the Township, until age 65, with a 30% premium contribution, and will be able to choose from medical plan options currently offered to active employees.

Then the Township and the employee shall mutually agree upon a third physician, who shall then examine the employee. The cost of the third physician shall be borne by the Township. The determination of the third physician as to the employee's fitness to return to duty shall be final and binding on the parties. In the event the third physician also certifies the employee fit to return to duty, injury leave benefits granted under this Article shall be terminated.

In the event the employee requests a second opinion of a Township designated alternate physician and the second physician differs with the opinion of the Township's first examining physician, a third examination and opinion will be mandatory at the expense of the Township. The consensus of two of the three physicians on the treatment to be followed will be the treatment covered by the Workers Compensation insurance.

- F) In the event any employee is granted job injury compensation, the Township's sole obligation shall be to pay the employee the differences between his/her regular pay and any temporary disability payments received from Workers' Compensation for a maximum of one (1) year.

returned to the Township Treasurer's Office.

ARTICLE XIV – COURT TIME

- A) Employees shall be given time off without loss of pay when commanded to appear as a witness and not a party before a court, legislative committee, or judicial or quasi-judicial body.

ARTICLE XV – SENIORITY

- A) Seniority is an employee's total length of service with the Township, beginning with his/her original date of hire, however part time employment will be prorated to properly reflect hours worked as compared to that of a full-time equivalent for length of service, i.e., for every 2080 hours worked, an employee would earn one year of service credit.
- B) An employee having broken service with the Township (as distinguished from a leave of absence) shall not accrue seniority credit for the time when not employed by the Township.
- C) If any question arises concerning two employees who were hired on the same date, seniority shall be determined by the alphabetical order of the employees' last name.
- D) In all cases of promotions, demotions, layoffs, recall, vacation scheduling and other situations where substantial employee advantages or disadvantages are concerned, the employee with the greatest amount of seniority shall be given preference provided he/she has the ability to do the work involved. Preference shall also be given on the basis of disciplinary history, consistent with Article 26, for promotional opportunities.
- E) A list shall be maintained and posted by the Department indicating vacant or newly created positions which are available. Such jobs shall be open for bid by all employees based upon seniority. Employees who are bypassed shall be provided the reason(s) in writing, with a copy to the Union, and such actions may be grieved in accordance with the provisions of Article XX.
- F) Any job which is open for bid is to be given, on a provisional basis and at the appropriate rate of pay for the title, to the employee who bids and has the most seniority.

At that time, the person receiving the job will have a thirty (30) working days training period with the guidance of an experienced person to teach the individual. After the thirty (30) working days, it should be determined if the individual has the ability to do the job. If said individual fails to qualify for the job, he/she will revert back to the job they held before and the job will be reopened for bid and the most senior person bidding for the position will be appointed and given the same thirty (30) working days training period as set forth above.

- G) If employees are directed to perform out of title work as significant portion of their work assignment on an open-ended or long-term basis and those duties are consistent with a title at a higher classification than the title of the employee assigned the work, the Union will bring the issue to the Township Administrator for review. The Administrator will determine whether the duties assignment is appropriate and whether it is likely to lead to

a promotion. In those cases where the Administrator determines the assignment of out of title duties is appropriate and is likely to lead to promotion, the Township will act in accordance with the provisions of this Article.

- H) Employees who are laid off from a permanent position through New Jersey Department of Personnel (NJDP) layoff procedures and are rehired to permanent positions under NJDP procedures, through reemployment rights or open competitive examination, within five (5) years, will retain their seniority from their prior service with the Township.

This payment shall be made to the employee and included in the first full payroll in the month of December in each year. When the work schedule is a five (5) day week, the Township shall substitute Good Friday and the Friday after Thanksgiving for the Floating Holiday and Christmas Eve, upon consultation with the Union.
- C) Holidays which fall on a Saturday shall be celebrated on the preceding Friday (or Thursday if the employee is not regularly scheduled to work on Friday). Holidays which fall on a Sunday shall be celebrated on the following Monday (or Tuesday if the employee is not regularly scheduled to work on Monday). Holidays which fall on either a Monday or Friday when the employee(s) is not regularly scheduled to work on that day, shall be celebrated on either Tuesday or Thursday respectively.
- D) In order to be entitled to the above paid holidays, employees must work the regular work day before and after the holiday. In the event of sickness on the day before or the day after the holiday, the employee must obtain a doctor's certificate to be eligible for the holiday pay, provided they are in a full paid status (before and after the holiday).
- E) Any holiday leave or day off granted to other Township employees by resolution of the Township Council, other than pursuant to another negotiated collective bargaining agreement, shall be granted to employees covered by this Agreement. In the case where

an employee covered herein is required to work this particular extra holiday or day off, equivalent compensatory time will be granted.

- B) The Union agrees that it will make a reasonable effort to prevent its members from participating in any strike, work stoppage, slow down or other activity aforementioned or supporting any such activity by any other employee or group of employees of the Township and that the Union shall take such other steps as may be necessary under the circumstances to have the employees return to work or discontinue the job action.

- C) Nothing contained in this Agreement shall be construed to limit or restrict the Township in its rights to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunctive relief or damages, or both, in the event of such breach by the Union or its members.

Failure to act within the ten (10) day period shall be deemed to constitute an abandonment of the grievance.

Step 2: If no agreement has been reached orally within ten (10) working days of the initial discussion with the employee's immediate supervisor, the employee or the Union may present the grievance in writing to the Director of the Department. The Director shall then attempt to resolve the matter and shall respond to the employee or Union within five (5) working days of the Union or employee's written submission.

APPENDIX B - FLEXIBLE PLAN MENU
TOWNSHIP OF GLOUCESTER (PUBLIC WORKS) HEALTH BENEFIT PACKAGE

Effective 1/1/14 the Township will provide an option to all employees covered under their Collective Bargaining Agreement for the years 2017 through 2019 to select either plan "A" which is the Township's Health Plan, the Dental Plan, Eyeglass Plan and Prescription Plan as currently exists and modified by this agreement.

Plan "B" will be a Flexible Benefits Plan, which will list a menu of benefits that an employee may choose. The employee will thereby be able to design their own Health Benefit/Other Benefits Package based on a limit of \$4,500.00 per year of the individual price tag amounts on the menu. The items in Plan "A" will be included on the Plan "B" menu.

Plan "B" Menu will include non-taxable items and taxable items. On taxable items the amount of benefit credit will be charged to the employee's gross earnings as other compensation and full taxes, State and Federal including FICA will be deducted.

If an employee selects a schedule of items that exceeds the \$4,500.00 Benefit Credit provided in the Contract, a payroll deduction may be made for the excess, however, this will be limited to 10% of the total Benefit Credit, which on the 2017-2019 contract will be \$450.00 if the item selected exceeds two menu items.

Once a menu is established for a calendar year there cannot be items added to, or items deleted from, the list. Annually Local 1014 representatives and the Mayor and Business Administrator will review the menu for revisions.

The menu, in the opinion of the Township, qualifies under Section 89 of the IRS Code effective 12/31/88; however, if any item is determined to be taxable by the IRS, we will have to reclassify the item from the non-taxable to taxable schedule.

The Township has a Cafeteria Benefit Plan in place which allows employees receiving an opt out payment to receive this money as taxable cash or deferred compensation basis, or to elect to put this money on a non-taxable basis, into certain benefits offered by the Township under its Cafeteria Plan.
