## *We Still Have a Dream*

Celebrate Martin Luther King Jr. Day of Service with us - learn about Dr. King's Fair Housing legacy and discover how you can promote unity in your own school, while also giving back to the community –

*We will be creating care packages for homeless students in YOUR schools*

### **Special Guests Include:**

Dr. Adrienne Coleman – IMSA  
Not In Our School Delegation – Bloomington-Normal

HOPE works to create greater housing opportunities for people of all economic levels and ensure that all may freely choose a place to live without regard to their race, color, religion, sex, age, national origin, sexual orientation, or because they have a disability or have children in their family. HOPE, a non-profit, serves all of the counties in the Western and Far Western suburbs of the Chicago metropolitan Area and 28 counties in Northern and Central Illinois.
