

Woman's Committee

Hello Brothers & Sisters,

As you have previously heard, the local has been developing a woman's committee over the last few months. Lia Gunya has graciously accepted the position of chairperson of the committee and back in April she went to Dayton Ohio to the International headquarters for training.

The local is now looking for a few more women that would like to be part of this committee. Our goal is we would like to have one woman from each state that our union is in.

The purpose of the committee is to help build unity within our union and also recognize and develop better working conditions for our woman within the shops.

If anyone is interested in being on the committee, please reach out to Lia at lgunyalocal408womanscommittee@gmail.com or myself at jjohnsonlocal408president@gmail.com

In Unity
Jason
