7. Once a car is posted click **Join** to add yourself to that car. Or, move your name over to Join the Car you want, **put your cursor on your name**. A **cross** appears before your name. Use that to **pull over your name into the car** you want. Your name should appear in the box, see below.

You're all set! You will not be contacted unless there is some change in the driver's plans.

**IMPORTANT:** If you need to change your plans, return to the site and edit or delete your information. Your driver is expecting to give you a ride unless you take yourself out of the car. It's a good idea to check the carpool form before your canvass in case your driver has added any information. Drivers, if you cancel, please contact your riders via the email they left. Thanks!
