Limitations on Transfer of Work

The Parties agree that there are no limitations, except as specifically provided in this Article, on the Company's ability to transfer any work covered under this Collective Bargaining Agreement to any of Consolidated Communications Holdings, Inc.'s subsidiaries, entities, affiliates, locations or employees. In the case of such transfer, any work transferred will no longer be performed by employees covered by this Collective Bargaining Agreement.

It is agreed, however, the Company will not transfer work under this Article which results in more than **fifty-five (55)** percent of employees in the bargaining unit being laid off over the life of the Agreement. For purpose of calculating this percentage, the number of jobs in the bargaining unit will be the number of full-time permanent employees in the bargaining unit on August 4, 2018. It is also agreed that strictly for the purpose of calculating the fifty-five (55) percent restriction referenced above, the number of people accepting the voluntary exit and/or early retirement between August 8 and August 31, 2018, will be considered as “laid off”.

In the case of any conflict between this Article and any other Article in the Collective Bargaining Agreement, this Article shall control.

➤ **Voluntary Exit & Early Retirement**

The Company proposes the following voluntary exit offer to all full-time **permanent** employees.

Employees will have twenty-one (21) calendar days from the time the offer is made to consider and accept the voluntary exit offer but may elect to accept the offer sooner than the twenty-one day period. Unless mutually agreed between the Union and Company, employees electing to accept the voluntary offer will complete their final day of employment no later than 14 calendar days after acceptance of the offer.

1. A full-time permanent employee, who by adding 2 years of net credited service and 2 years of age (2x2), become or remain eligible to immediately receive their pension benefits AND elect to accept this voluntary exit offer and voluntarily terminate their employment with Consolidated Communications, Inc., will be allowed to receive 2 years of net credited service and 2 years of age added to their pension formula. Employees voluntarily electing to receive this 2x2 offer will be subject to the provisions of this entire voluntary exit offer WITH THE EXCEPTION OF THOSE BENEFITS CONTAINED IN NUMBERS 3 and 4 BELOW.
2. In lieu of receiving the 2x2 option outlined in 1 above, employees who are already eligible or become eligible to immediately receive their pension benefits by adding the 2x2 option, may instead elect to receive the benefits contained in numbers 3 and 4 below.
3. Employees not receiving benefits in number 1 above, may elect to voluntarily terminate their employment with Consolidated Communications, Inc. and receive

 - Provided, however, in the event that less than twenty-five (25) employees to whom this offer is being made elect to receive \$30,000 in healthcare reimbursements through an HRA, the option will be withdrawn and the employees will only be eligible to receive the benefits set forth in number 4 in a one-time lump sum, subject to applicable withholdings.
5. Voluntary offers will be made to all full-time permanent employees. No more than 77 employees can accept the offer. If more than 77 employees elect to take the voluntary exit offer, the Company and Union will discuss the oversubscription and the appropriate action to be taken.
6. The benefits described above in numbers 1, 2, 3 and 4 are expressly conditioned on the employee signing the Confidential Severance Agreement and General Release provided by the Company.
7. If any employee is rehired, after electing to receive this voluntary exit offer, they will not be eligible to receive any benefits under Articles 8.18, 8.19, 8.20 and will be treated under the CBA as a new hire.
8. In the event the employees covered by this Agreement FAIL to ratify this successor Agreement upon the FIRST ratification vote, or FAIL to successfully ratify this Agreement by 11:59 p.m. August 10, 2018, the Company hereby withdraws its offer to provide benefits in numbers 1 and 2 above (2x2 pension add-on) and ONLY offers the benefits contained in number 3 and 4 above.

➤ **Basic Workday**

The Company proposes the following changes to Article 4 of the CWA Collective Bargaining Agreement:

ARTICLE 4.03 & 4.04 Definitions

BASIC WEEKLY WAGE RATES

4.03 An employee's weekly wage rate is a flat rate paid for a scheduled week of 40 hours, including any paid absence which is paid in accordance with weekly rates of pay set forth in the wage tables of this contract.

BASIC WORK DAY

4.04 A basic work day is eight hours. It includes the relief periods but excludes the meal period.

➤ **Adjustment to Weekly Pay Tables**

All weekly wage tables will be increased to reflect the change in the number of weekly hours worked by 2.5 hours. To calculate the increase, the current weekly wage will be divided by 37.5 hours to obtain the hourly rate (rounded to the nearest cent). The hourly rate will then be multiplied by 40 hours for the work week (i.e. 72 mos. wage table 93 - $\$1,334.00 / 37.5 = \35.57 hr. X 40 hrs. = $\$1,422.80$).

➤ **New Hire Wage Tables**

Employees hired on or after ratification of this Agreement shall have their wage progression frozen at 48 months for Zone 1 employees for all wage tables (i.e. wage table 93 $\$950.50$ and wage table 15 $\$817.00$ 17 $\$874.50$). New hire wage tables will be subject to the same adjustments outlined above to reflect a 40 hour basic work week (i.e. 48 mos. wage table 93 $\$950.50 / 37.5 = \25.35 hr. X 40 hrs. = $\$1014.00$).

➤ **Zone 2 Wage Table**

Upon ratification of this Agreement, Zone 2 will be eliminated from all wage tables.

➤ **Permanent Transfers**

During the life of this Agreement, the Company agrees it will not permanently transfer a CWA employee to another reporting headquarter location outside of their current city limits pursuant to Article 14. Additionally, an employee electing to bump a junior employee due to a surplus

declaration resulting in the layoff of an employee, pursuant to Article 15 of this Agreement, shall not be required to transfer to another reporting headquarter location outside of their current city limit.

➤ **Excused Work Days & Absence From Duty**

The Company proposes the following changes to Article 17 and 18 of the CWA Collective Bargaining Agreement:

Article 18, Allowances for First Seven Days of Absence Due to Illness, will be deleted from the Collective Bargaining Agreement in its entirety effective with the ratification of this Agreement.

ARTICLE 17 Absence from Duty

PAID ABSENCE

17.01 An Employee's absence shall be paid for by the Company if excused for the following reasons:

- (a) Attendance at grievance meetings with the Company and when meeting for purposes of negotiating a new collective bargaining agreement with the Company. Payment is limited to not more than four Union representatives when meeting for purposes of negotiating a new collective bargaining agreement; not more than two Union representatives at Step 1, Step 2 and Step 3 grievance meetings. Payment is further limited to actual meeting time during scheduled straight time working hours, plus necessary time, if any, spent during scheduled straight time working hours in traveling between the employee's work location and the meeting location.
- (b) Quarantine because of illness of a member of the employee's household, provided such quarantine is in accordance with the local health authorities and whatever resource or service the Company in its discretion, chooses to use.
- (c) Death in the immediate family. 17.03 Employees who use a Personal Day shall be paid for the day as if they worked a normal or standard day (excluding any wage incentive or productivity payments)

17.04 Employees may designate up to three (3) Personal Days in a calendar year on a reserved basis for personal, immediate needs, to be taken on short notice and in increments of one hour up to a full day's assigned tour. The immediate supervisor or the supervisor in charge will grant a minimum of one short notice request for such excused work time in each one-half tour on that day, if the request is made prior to the start of the one-half tour requested. However, additional requests for such time on that day may be granted subject to the force requirements of the work group.

17.05 Employees who are absent with pay on their scheduled Personal Day shall have their paid Personal Day rescheduled subject to force requirements of the workgroup.

17.06 Personal Days may be selected by employees within each vacation group from the vacation schedule after full week and single day vacations have been selected or throughout the year on a first-come first-served basis, subject to force requirements. Up to two (2) Personal Days may be scheduled in ½ day increments in a calendar year.

An employee may use Personal Days to care for a family member because the school or business where the family member is located is closed for public health or safety reasons.

17.10 When available, Personal Days must be used to cover the Short Term Disability elimination period. In the event Personal Days are exhausted, contingent upon the employee being approved for Short Term Disability benefits or FMLA leave, the employee may choose to use a vacation day to be paid during the elimination period or may choose to take the elimination period as unpaid. Under no circumstance shall vacation days or Personal Days be returned to the employee when used for the elimination period. Personal Days cannot be used to supplement STD or LTD benefit payments.

➤ **CCI Employment Rules and Policies**

The Company proposes the following language be added to Article 38.08:

The Company has the right to establish and enforce reasonable Company rules and policies and shall have the right to change, alter and add to such rules or policies, except that no such rules or policies may conflict with any provision of this Collective Bargaining Agreement.

The Company agrees to notify the Union prior to the implementation of such rules or policies and to give the Union a meaningful opportunity to bargain over any rules or policies that affect an employee's terms and conditions of employment.

If after providing such opportunity, an agreement is not reached, the Company may implement the rule and/or policy, and the Union has the right to file a grievance and to challenge in arbitration whether that a rule and/or policy is unreasonable, whether a rule and/or policy conflicts with any provision of the Collective Bargaining Agreement.

➤ **Bi-Weekly Pay**

The Company withdraws its proposal number 6 regarding Bi-Weekly Pay.

➤ **Subcontracting**

The Company proposes the following changes to Article 16 of the current Collective Bargaining Agreement.

Articles 16.02, 16.03 and 16.04 will be deleted from the Collective Bargaining Agreement. Article 16.01 will be replaced as follows:

Article 16

16.01 The Company may subcontract work (assign work to non-Consolidated Communications Holdings, Inc.'s subsidiaries, entities, affiliates, locations or employees) generally performed by the bargaining unit employees, so long as such subcontracting, in combination with any layoffs pursuant to Article 35, does not result in a reduction of the bargaining unit employees below the percentage agreed to in Article 35.

➤ **Corporate Incentive Plan**

The Company proposes the following changes to Article 42 Corporate Incentive Plan contained in this Collective Bargaining Agreement. The existing bonus plan language will be removed from the CBA and replaced with the following:

ARTICLE 42

Corporate Incentive Program

Section 1. Plan Purpose. The Corporate Incentive Program (“CIP”) is designed to encourage and reward employees for their contribution to Company success.

Section 2. Plan Years. The CIP will provide awards for results in calendar years 2018, 2019, and 2020, with awards payable in 2019, 2020 and 2021. If earned, CIP payouts will be made for the full calendar year 2018, payable in 2019.

Section 3 - Eligibility

(a) Must be an active employee on the date of payout. Full-time and part-time regular and temporary employees who are on the payroll prior to October 1st during an applicable Plan year will be eligible to receive a CIP payout to the extent payable. Employees who leave the Company for any reason prior to the date of the CIP payout forfeit their eligibility to receive a CIP payout.

(b) Partial Years. Payment of the CIP will not be prorated as long as the employee meets the 90 calendar day requirement in (a).

(c) Part-Time Employees. Payment of the CIP will be based on a pro-rata portion for the total hours worked for the year.

Section 4 - Transfers and Promotions

An employee who is otherwise eligible for a CIP payout will not lose eligibility due to the following (so long as the employee has a period of at least 90 days of active participation in the Plan Year):

(a) Transfer to another CCI affiliated company that participates in this Plan or to an affiliated company with a collectively bargained corporate incentive program that is substantially similar to this CIP Plan, and the employee is on the payroll of such company on the day the CIP is made.

(b) Promotion to a non-bargained position, and the employee is on the payroll of the company in which he or she is employed on the day the CIP payout is made.

(c) No employee shall be eligible for more than one CIP or Company short term incentive bonus plan under any circumstance.

An employee who is transferred or promoted as described above will receive a CIP payout that shall be paid as described in Section 3.

Section 5 – CIP Payout Calculations

(a) Standard Award. The CIP payout shall be as follows:

The Corporate Incentive Plan objectives are weighted as follows:

- 50% - EBITDA
- 50% - Revenue

Payout Target:

\$750 – Each year for fiscal year 2018, 2019 and 2020.

Bonuses, if earned, will be paid out in the first quarter of 2019, 2020, and 2021 in a one-time lump sum payment, subject to applicable withholdings.

Payout Curve & Payout Example:

Payout Curve	
EBITDA & Revenue Goal Attainment	Bonus Payout
>105%	120%
102.1% - 105.0%	110%
95.0% - 102.0%	Actual Performance %
92.5% - 94.9%	75%
90.0% - 92.4%	50%
< 90%	0%

Payout Example	Actual	Target	Achievement	x Weight	Weighted Achievement
EBITDA	\$540M	\$537M	101.40%	50%	50.7%
Revenue	\$1.39B	\$1.4B	99.30%	50%	49.7%
Total Weighted Achievement					100.4%
Target Payout					X \$750
Actual Payout					\$753.00

(b) Performance Percentage. The actual CIP payout per eligible employee will be calculated by dividing the EBITDA & Revenue actual annual achievement by the EBITDA and Revenue annual target goals. The resulting “Performance Percentage” for the Plan Year shall then be multiplied by the 50% weighting factor for EBITDA and Revenue with the resulting “Weighted Achievement” added together for a total weighted achievement. Awards will be calculated on the payout scale above. The EBITDA measurement will be calculated on a self-funded basis, meaning the final achievement will be adjusted by the cost of the CIP payout. If company performance exceeds the target, the bonus payout could exceed 100%. Similarly, bonus payouts will be less than 100% if target is not met. There will be no bonus payout if attainment is less than 90% of the weighted EBITDA and Revenue goals.

- (c) No exceptions will apply.

Section 6 - Information Requests

The Company agrees to provide to the Union upon request publicly disclosed information about achievement of the corporate financial goals, and the Union clearly and unequivocally waives any and all rights it may have to other information. The Company will also provide the Union a summary of the total CIP payout payments which eligible bargained-for employees received under the plan. This information will be provided as soon as practical following the release of the fiscal year public earnings report.

Section 7 - Payment of CIP

CIP payouts, when the metrics in this program are met, will be paid with its regular payroll remittance (EFT or check) not later than March 15th of the year immediately following the Plan Year. Each such payment shall be subject to the applicable federal and state withholding rate for non-recurring payments (currently, a 25% flat rate) and other applicable payroll taxes.

Section 8 - Benefit Treatment of the CIP Payout

When paid, a CIP payout will be treated as eligible pay solely for the following purposes:

- (a) The CIP payout shall be treated as eligible pay to the qualified 401(k) Plan according to the same contribution percentage (if any) as is in effect for regular wages at the time the CIP payout is paid (with the same terms and conditions for pre-tax or after-tax treatment, and for qualifying for applicable Company matching contributions).
- (b)
- (b) The CIP payout may be taken into account for union dues to the extent determined appropriate by the union representing the employee.
- (d)

CIP payouts will not be included in calculations for any other purposes.

Section 9 - Grievances and Arbitration

The Company shall have the discretion to administer this CIP Plan according to its terms. The Company's interpretations and determinations under this CIP Plan shall be final and binding. The Union may present grievances relating to matters covered by the CIP Plan but neither the CIP Plan nor its administration shall be subject to arbitration, except that the limited issue of an employee's eligibility to participate in a specific payout under the CIP Plan shall be arbitrable. Any "make-whole" arbitration award (which reinstates an employee with full back pay) shall include any applicable CIP payout for the CIP Plan Year in which the employee had been separated from employment if the employee was otherwise eligible and did not otherwise receive a payout for the applicable Plan Year.

Tentatively agreed as of _____, subject to ratification of the entire Collective Bargaining Agreement.
