Politicians and lobbyists draw voting maps behind closed doors that directly benefit themselves, instead of putting the interests of voters or communities of Michigan first.

VOTERS NOT POLITICIANS is a nonpartisan, grassroots group leading the charge to fix Michigan's broken redistricting process through a constitutional amendment to create an Independent Citizens Redistricting Commission.

Proposal 2 is F-I-T for Michigan!

FAIR - Voters—not lobbyists and politicians—will draw election maps that cannot give one party or candidate an unfair advantage.

IMPARTIAL - Maps will be drawn through compromise by Republicans, Democrats, and voters who don't affiliate with either party and must follow strict criteria.

TRANSPARENT - The process will happen in public meetings with input from Michiganders, not behind closed doors. Everything used to draw the maps—including data and software—must be published publicly.

Over 425,000 Michiganders signed the petition to put Proposal 2 on the ballot on November 6, 2018.
