

Dear Member,

Wildfires are continuing to sweep Southern and Northern California. Meanwhile, our Brothers and Sisters are coming to grips with tremendous losses of home, family and in many cases, pets.

Today, I am requesting that Locals across our District and Nationally consider providing assistance to our Brothers and Sisters that are affected by the recent wildfires.

Monetary donations can be made by checks addressed to CWA District 9 Disaster Wildfire Relief Fund, or clicking the link below to donate.

Your contributions to the CWA District 9 Disaster Relief Fund will go directly to assist CWA members who have been affected by this disaster.
