

TELL CAMDEN COUNTY STATE SENATORS STOP SWEENEY'S ATTACKS ON WORKERS

Senator Jim Beach is one of eleven elected officials who had their pension padded after Governor Christie signed a law in January 2018 allowing certain public elected officials to significantly increase their pension benefits.

Now, on April 15, Jim Beach is attending a Town Hall event with Senate President Steve Sweeney on the "Path to Progress" Report that calls for ending the current public worker pension system and shifting billions of dollars of healthcare costs on to workers— All while protecting billions of dollars of tax cuts for the super wealthy and corporations passed in the Christie Administration.

**CALL SENATOR
JAMES BEACH NOW:**

856-429-1572

**CALL SENATOR
NILSA CRUZ-PEREZ**

856-541-1251

TELL THEM:

"My union, CWA, represents 4,000 workers who live in Camden County. The Path to Progress means more attacks on public workers in order to protect massive tax breaks for the super wealthy and corporations in New Jersey. I encourage you to stand up for public workers and services at the Town Hall meeting on April 15 and make it clear to Senate President Sweeney that you believe it's time for millionaires and corporations to pay their fair share."

COME TO THE TOWN HALL AND LISTEN TO WHAT THEY HAVE TO SAY:
