Solutions

Founder & co-chair Efficiency For All

Sam Dynowski
CT Director
Sierra Club

John Humphries
Executive Director & Lead Organizer
CT Roundtable on Climate & Jobs

To RSVP Click [HERE](#)

To hear about policies introduced this session to expand clean energy, address gas pipeline and fracking issues, protecting ratepayer-funded efficiency programs- and more.

To learn how you can become involved in Fairfield County and make a difference- for our environment- and our future.
