

Hi, I'm Ali GlastonBear

I've come from Syria but got separated from my family on the way ☹.

I've made it to Glastonbury all alone and now I need your help to find them.

Please can you help me on my journey?

Here's how :

LEGAL ROUTES TO SANCTUARY

Registered charity number: 1179608

- I need to travel to the **four festival locations** on the map and cards before I can reach my family at the **Safe Passage tent** in the **Green Futures Field**
- Take me to one of these locations, take a photo of me there and post it on social media with the hashtag **#glastonbear** & **@safeassageuk** so my family can see where I am
- Once you've taken me there, keep the card. You can bring it to the Safe Passage tent to get a reward for helping me

- Then find me another friend to help me continue my journey or take me to the next location if you want to continue my journey with me
- At each new location, take a photo of me there and post it on social media, then remove the card with this location until there are no cards left
- Once I've been to all four locations, please return me to the **Safe Passage tent** in the **Green Futures** Field where I hope to find my family!

Thank you for helping me on my journey! ☺

## Tips & Notes

- If you're having too much fun to take me to one of the festival locations but still want to help, take a photo of me wherever you are and post it on social media then give me to someone else to continue my journey
- Use these hashtags **#GlastonBear #glastonbury & @safepassageuk** in all posts
- Please make sure I get back to the **Safe Passage tent** in the **Green Futures Field** by **Sunday afternoon** at the latest, even if I haven't made it to all four festival locations!
- Find out more about me by visiting [www.safepassage.org.uk/glastonbear](http://www.safepassage.org.uk/glastonbear)
