

2020 PGCEA General Election Guide

PGCEA's governance structure is similar to the state ([MSEA](#)) and national ([NEA](#)) affiliates. Each organization conducts its own election. The PGCEA Nominations, Elections and Credentials Commission ([NECC](#)) holds general elections annually in which the members choose their board officers, directors, delegates and union policies.

On the following pages, you will find the information presented as written by the candidates for Treasurer (one seat available, serving a three year term - 2020-2023) and Board of Directors-At-Large (four seats available, each serves a two year term - 2020-2022). Also, included is a list of candidates for NEA Delegates (42 seats available) and MSEA Delegates (147 seats available). See PGCEA [By-laws](#), [Policy Handbook](#) and [Fair Campaign Practice Code](#) for details.

TREASURER is composed of one elected officer.

BOARD OF DIRECTORS (BOD) is composed of three elected officers (president, vice president, and treasurer) plus eight elected at-large members.

The Board is responsible for the fiscal affairs and general management of the Association, the interpretation of policies, the preparation of the proposed budget, and much more. The PGCEA Board of Directors sets the course for PGCEA and decides how to use its staff and resources.

MSEA and NEA DELEGATES represent PGCEA's interests at the annual state ([MSEA](#)) and national ([NEA](#)) Representative Assemblies. There are three types of delegates; two are elected in the PGCEA General Election:

Election	Delegate
PGCEA (March)	PGCEA MSEA Delegates discuss and vote on proposed bylaw amendments, new business items, and resolutions for MSEA.
PGCEA (March)	PGCEA NEA Delegates adopt the strategic plan and budget, resolutions, the legislative program, and other policies of NEA.
MSEA (February)	MSEA Delegates to the NEA Representative Assembly and Convention (70 elected) elect the executive officers, Executive Committee members, and at-large members of the NEA Board of Directors, as appropriate.

BYLAWS: The PGCEA Bylaws are the governing document of the Association. They may only be changed once a year by a super majority of 66% of those casting a ballot.

There are no proposed Bylaw amendments on the ballot.

WHY SHOULD YOU VOTE?

PGCEA, MSEA and NEA collectively advocate for educators employed by the public school system. They are the educators' protector in employment related matters, wages and benefits watchdogs and organizers who fight for fair funding. PGCEA is one of the top twenty largest locals in the country and the second largest in Maryland. Unified PGCEA members have a powerful voice throughout the organization. This begins with members choosing colleagues to govern and represent the interests of the union at the county, state and national levels.

VOTING IS QUICK AND EASY! IT'S ON-LINE!

From January 27- February 21, 2020 @5:00 pm

Board of Directors Candidate 6 of 16

Together, We Can Do It!

Greetings Education Family,

In an era of the bashing of public education and educators, why do we show up to work each day? With public education perpetually re-evaluated and the educator perpetually blamed for all its ills, why do we continue in the profession? It's because we signed on to be outstanding educators. We signed on to make a difference in the lives of those we touch. We signed on to prove that without educators, all other professions would be impossible. We are visionaries and know the difference we can make in society if we band together. Well, it's time to band together.

I am Kimberly Wilson and I am running for Board of Directors, Member at Large. I began my participation in the Education Association as a student member of NEA. Since then, I've been on several local and state committees and have represented the Association on local, state and national levels. I've held every position from building rep and FAC chair to PGCEA Board Member-At-Large. I have maintained a passion for improving our profession and for making the Association as effective as possible. I am currently a Literacy Coach and secretary of the NECC, and I tout the importance of education advocacy on a regular basis.

If we, as an education family, band together, we can sound the alarm and make sure those in Upper Marlboro hear our proud voices. We can be our greatest cheerleaders and restore the honor to the most honorable profession in the world. We must use our individual talents to form a collective shout! With so many changes, PGCEA must continue to be the proud and effective voice of the educator and must act in our best interests. I plan to work with you to ensure that this takes place. We all signed on for a reason, let's reignite our flame and restore the pride to public education in Prince George's County.

Together, we can be the best! Vote KIMBERLY WILSON for **PGCEA Board of Directors, Member at Large**
