

CAPITAL REGION HEALTHCARE CRISIS: HOW CAN THE COMMUNITY AND HEALTHCARE WORKERS BE PREPARED?

Join nurses, elected officials, and community advocates for a virtual townhall meeting to address:

COVID-19: what are the latest updates to keep our communities safe.

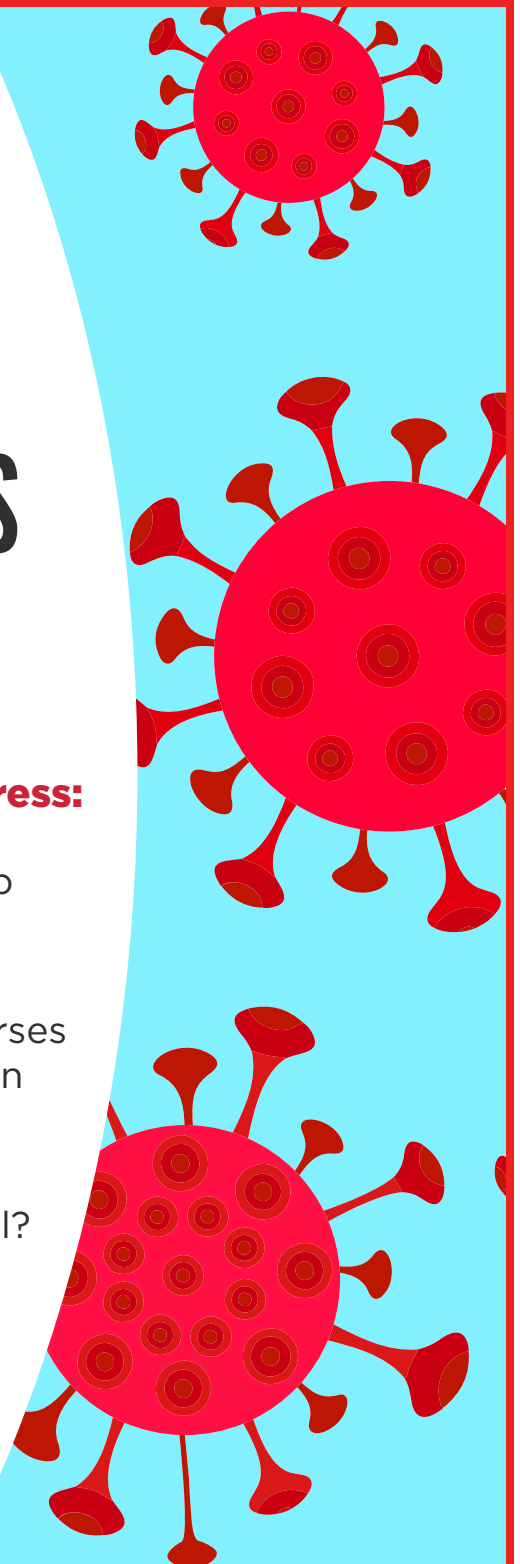

Facility Preparedness: Hear from frontline nurses about the protocols and protections that are in place to prevent the spread of Coronavirus.

Will enough nurses be there to answer the call?
Hear how understaffing impacts patient care in a time of healthcare crisis.

Patient and Nurse Safety: What are hospitals doing to prevent violence in our community hospitals?
