

U.S. LABOR AGAINST THE WAR

CALL YOUR CLOSEST MAYORAL OFFICES IN MAJOR CITIES NOW AND DEMAND THAT CURFEWS INCLUDE A FIRST AMENDMENT EXCEPTION TO ALLOW FOR LEGAL, PEACEFUL PROTEST.

The curfews enforced by local mayors has only led to stifling free speech and giving Trump cover to ruthlessly crack down on nonviolent protestors speaking out about their pain. Peaceful protest, which goes hand-in-hand with our right to strike, must be protected. We have seen too many demonstrations turned violent across the country because of unnecessary military and police escalation.
