

To the members of ACE-AFSCME Local 2250,

We have hosted and scrutinized the 2020 Executive Board Election on behalf of ACE-AFSCME Local 2250. We confirm that we have no affiliation with, and are independent of, ACE-AFSCME Local 2250, and as such, are not impacted by or have any interest in the outcome of the election. We act as independent service providers and scrutineers to ensure a fair, independent election with voting integrity.

ACE-AFSCME Local 2250 staff are responsible for the information included in the election including the election dates, election notice details, the contents of the election ballot and the composition of the election voter list. ElectionBuddy staff have not reviewed the organization bylaws or legal statutes which relate to ACE-AFSCME Local 2250 or the 2020 Executive Board Election. This review is the responsibility of the members of the organization.

Based on the information provided to the ElectionBuddy system, the following was noted:

- Only voters on the voter list voted.
- Each voter only voted once, based on their unique access key.
- Any ballots which were not completed were not included in the results.
- A unique hash was available to each voter upon successful submission of their ballot to ensure that their vote was included in the results, and to ensure that the voter's ballot submission was not tampered with or otherwise changed.

At the completion of the election, ElectionBuddy staff perform limited procedures, which includes review of the voter list, voting process, examination of the results, and inquiries of management. We believe that the review and results of our procedures provide a reasonable basis to confirm our report.

The ballot included three positions: President, Vice-President, and Treasurer. At the direction of ACE-ASFCME Local 2250 staff, the winner for the position of President was not included in the final tabulation and is therefore not certified by ElectionBuddy, though the position of President was included on the ballot.

Other than the removal of the Presidential position from the tabulation, and based on our review of the voting information related to the Vice-President and Treasurer positions only, we did not identify any issues that would materially impact the election outcomes for the Vice-President and Treasurer positions.

As a summary, the winning candidates for the 2020 Executive Board Election are:

**Vice-President: Denise Yon**  
**Treasurer: Marion Colter**

The winners and results were shared with the election contacts, Timothy Traylor and Delphine Peterson, on August 7, 2020, at 5:27 PM Eastern time.
