

Hello Brothers & Sisters,

Three years ago, the membership gave me the opportunity to lead this local and serve as its president. During the campaign I made many promises and as I reflect back on those promises, I believe I have fulfilled every promise that I made.

I have truly appreciated serving this membership over the last three years and I know I speak for the entire executive board when I say we are very thankful for all the support you have shown. I hope that all of you feel that your union is making a difference that you can see and feel from years past.

As many of you are aware, it is once again time for the members to decide who will lead this local for the next three years. The nominating period has come and gone and the candidates listed below are the only candidates that have been nominated.

Since all candidates are unopposed, and have secured the required signatures to run for office, no election will be required and therefore those listed below are considered elected. This was certified by the members of the election Committee and these changes will take effect 1/1/21.

I want to thank all the members that nominated myself and all the members of the executive board and we all look forward to serving you for the next three years.

Vice President: Jason Dornford
