Reasonable Cause Explanations

Explanation

To Whom It May Concern, I am writing to request an appeal for the late filing of Form 990. We are an extremely small tax-exempt organization with a current staff of only one full-time employee. The reason for the delay in filing our tax forms was due to unforeseeable circumstances directly impacting our personnel. Additionally, with the onset of the novel COVID-19 outbreak, our small and under-staffed organization was especially burdened. Further, we were undergoing a staff transition which complicated the ability to file. Although your notice says that we did not file, I will call to clarify over the phone our intent to file and that this form was in fact received. Having a penalty of any amount would mean we would not be able to pay our staff position and will be in severe existential financial strain (especially considering the financial impact COVID-19 is having on our financial health). Given the above circumstances, we request that you waive this penalty. If there is further clarification we must provide, I would be happy to do so. Thank you for your consideration.
