

# HARD WORKING FOR YOU ADINA CLAIRE & ANNI SANDER

ALL YEAR ROUND

Supporting tree planting

Working with other Green campaigners and councillors to represent the concerns of local residents

Administering the Hitchin Reuse Project, minimising waste and benefiting our local community

Supporting community projects in Westmill

Campaigning for more cycling routes and public transport to connect our remote neighbourhoods

Having an open ear for residents' concerns and helping them to get the right help

Litter picking

Fighting unsustainable development

Working with local schools on sustainability and fundraising matters

Working with local food rescue initiatives

Organising Repair Cafes and other workshops for knowledge sharing

Working with residents, campaigners and councillors on traffic issues and speeding

Founder of Plastic Free Hitchin, visiting schools and other organisation to speak about ways to minimise waste

Working with local councils to resolve fly-tipping

More litter picking

Helping to organise litter picks like the Big Spring Clean

Campaigned against Luton Airport expansion that threatens to destroy Wigmore Park and increase congestion, noise, and air pollution

And more litter picking

Reporting fly-tipping

Delivering information all year round

Pressuring county council to improve our roads

## VOTE ADINA & ANNI FOR INDEPENDENT VOICES ON OUR COUNCILS!

## ABOUT ADINA

Adina has led national and international charities, giving her expertise in making important strategic decisions, managing large teams and multi-million pound budgets. She has worked closely with members of national government and civil servants on local issues.

*"I am passionate about supporting local people in having a strong voice in decision making and have spent my career lobbying on behalf of others for positive change."*

## ABOUT ANNI

Anni worked in energy efficient and sustainable construction before joining the central management of an international engineering consultancy. Two years ago she left her job in the City to focus on her local community work. She is a project manager for an environmental charity.

*"I believe our councils can do better in supporting our local communities and I would love to help to make that happen."*

*"Anni works tirelessly on local environmental concerns. She campaigns to stop waste and single use plastics, and is determined to challenge the council to reduce waste and pollution in our area."*

**Stephen, St Paul's Walden**

*"Anni is very passionate about making Hitchin Rural a better, greener area, having got behind many local initiatives. I know she would put her all into being our councillor which is why I support her."*

**Lucie, Ickleford**

# IT'S ANNI & ADINA OR MORE CONSERVATIVES

## RESULTS IN HITCHWOOD OFFA AND HOO IN 2019

**LIBERAL DEMOCRATS AND LABOUR CAN'T WIN HERE**

## YOU DECIDE!

**We have four Conservative councillors in Hitchin Rural, it is time to add independent voices to the mix.**

Now more than ever we need to think local and help our communities get back on their feet after Covid-19. Adina and Anni are hard working members of our community, and are free to speak up for you. Unlike the Conservatives, Adina and Anni are not told what to say and do by party bosses. After coming second in Hitchwood Offa and Hoo in the last local elections, our Green candidates have the best chance of winning here.

### FOR HITCHWOOD OFFA & HOO

**ADINA CLAIRE**
