DON NICHOLLS

A GREEN VOICE FOR OUR VILLAGES

COUNTY COUNCIL ELECTIONS 6th MAY 2021

DON NICHOLLS

Don says:

I want a greener, cleaner East Sussex.

I would like to make it easier for people to get out into nature, which is so good for our physical and mental health.

I want the county council to start taking the climate crisis seriously, for the sake of you, your children and grandchildren.

Don with his family

Don has been **championing the environment** for most of his adult life, promoting cycling, defending trees and wild places, lobbying against air pollution, and campaigning for smoke-free spaces.

As a teacher, **Don** specialised in helping truants. Recently he has been a lecturer at Kensington and Chelsea College, and was on the board there for 8 years.

Don's green commute

Don and Deirdre have put a solar panel on their house, installed an air source heat pump, and insulated the loft with recycled plastic. They are both keen on rewilding gardens.
