

KEEP CALM

AND

CARRY ON?

NO WAY!

THE TIME HAS COME

TO MAKE A STAND

VOTE GREEN

SARAH MORGAN

YOUR GREEN PARTY CANDIDATE FOR REEPHAM DIVISION

Sarah lives in Reepham and her daughters attend the High School and College. She is a Veterinary Surgeon, working in the region for many years, and is chair of the charity *Vetwork UK*.

Her first green awareness came as a child in the 1970's, when Friends of the Earth campaigned to stop the change to single use plastic from re-used glass bottles (which was normal practice back then). We now know they were right as we have littered the entire planet, from Ibiza to the Norfolk Broads, with plastic.

Litter picking in Reepham (with cake!)

Littering & fly tipping is an increasing worry

The Conservatives have allowed the private sector to determine what they think works best for them. The result? Unwelcome trenches dug across our countryside to connect offshore wind-generated electricity to the national grid. A Green Party policy would consult on what is best for Norfolk residents and the environment.

They also support the Norwich Western Link road which will drive a dual carriageway through the heart of the beautiful Wensum Valley destroying ancient woodland and vital wildlife habitats. Improved access works two ways and will increase pollution, crime and fly tipping in our area as well as an increase in heavy traffic on our country roads.

This is what is happening to Norfolk's green and pleasant land under the Conservatives.

Help us preserve what we love about our county, Vote Green..

The Greens tell it as it is - the truth!

This is a normal country road, accessible for normal sized vehicles, but this DHL truck was so massive the bus could not get past!

A GREEN vote is a GREAT vote for you and your world

Make YOUR vote count

MORGAN, Sarah
