BiCi Co. was started by the Center for Latino Progress in 2015 to provide an opportunity for hands-on bicycle education and service learning projects for 30 summer youth interns. It grew from there to include DIY repair hours, teen Earn-a-Bike courses, among other offerings. In 2017 Bici Co. expanded to include a full service bike shop offering repairs, parts, custom work, and bicycle sales.

Clean Water Action Connecticut has a mission to protect our environment, health, economic well-being and community quality of life. Clean Water Action organizes strong grassroots groups, campaigns to elect environmental candidates and to solve environmental problems. In Connecticut, they have worked to reduce and eliminate toxic chemical exposures, to ensure that small streams and wetlands are protected from pollution, and fought for a clean energy future in Connecticut.

The Devil's Gear Bike Shop was founded by Matthew Feiner in 2001. He felt there was a need for a shop that would treat everyone in a friendly manner, no matter the price of their bike their knowledge of bike technology or their level of fitness. The shop has been voted New Haven's Best Bike Shop by readers of the New Haven Advocate many times.

Open Sash specializes in energy efficiency, weatherization, and restoration of old windows. An Open Sash energy retrofit turns beautiful quality-made old windows into ones that are as energy efficient as a modern window—at a price that is lower than replacements. In addition to being affordable, our window retrofits are also the most earth friendly, carbon neutral, and sustainable choice you can make.
