

2021 Rapid Response, Legislative, and Policy Conference Is Going Virtual!

After thoughtful consideration, we have come to the difficult decision to postpone the in-person 2021 Rapid Response, Legislative, and Policy Conference. The increased COVID-19 infection rates in Washington, D.C., and across the country, as well as our inability to access Capitol Hill and lobby our legislators, ultimately led us to this challenging conclusion. Our members' health and safety is our top priority, and we cannot guarantee that in the current conditions.

We understand the critical need to re-engage our activists and strengthen the Rapid Response program throughout our union, which is why we are taking our conference virtual. Please stay tuned in the coming weeks for details and new dates for our virtual conference!
