LEAGUE of UNITED LATIN  
AMERICAN CITIZENS

Redlands Unified School District Board (RUSD) Board Members:

These are troubling times for School Districts across the State of California and the nation, no less so for Redlands Unified School District. Now more than ever, it is critical to stand firm and support each other. Recent attacks against RUSD Board member Alex Vara hit at the heart of our democracy, must not be ignored or dismissed by the board nor by the community. The safety of each board member is critical for each of you to fulfill your fiduciary responsibilities to the district, the staff and most importantly to children you represent. Past action by the board to approve resolution 12 reflects that as a body, you are capable of making critical decisions that impact the education of our children. We encourage you to keep moving in that direction.

The League of United Latin American Citizens (LULAC), founded in 1929, is the oldest and most widely respected Hispanic civil rights organization in the United States of America. Since its founding, LULAC has fought for full access to the political process and works to improve opportunities for Hispanic Americans.

The mission of the League of United Latin American Citizens is to advance the economic condition, educational attainment, political influence, housing, health and civil rights of the Hispanic population of the United States and Puerto Rico.

Sincerely,

Anthony Noriega,  
Member, California State LULAC Civil Rights and Advocacy Committee  
California LULAC State Representative for Military and Veteran's Affairs
