16.2 An employee's vacation is deemed earned and shall be credited each payroll period.

16.3 In computing total amount of service as used in 16.1.1 above:

16.3.1 Includes time taken while on leave of absence with pay or for military or parental leave without pay.

16.3.2 Includes any time under temporary appointment in City service employment, the Exposition Recreation Commission, and the Portland Development Commission.

16.3.3 Includes absence because of an on the job injury up to one (1) year.

16.3.4 Excludes time in City service for which the employee receives pension benefits.

16.4 Employees shall continue to earn vacation credit for:

16.4.1 A cumulative period of one (1) year because of time lost for each on the job injury, provided that the employee returns to work in accordance with Human Resources Administrative Rule (HRAR) 7.08. However, should such on the job injury result in disability retirement, the employee will be paid for such accrued vacation up to the one year maximum accrual.

16.4.2 Any authorized leave of absence where an employee continues in paid status.

16.4.3 Any authorized unpaid personal leave(s) of absence not to exceed a cumulative total of thirty (30) days in any calendar year.

16.5 The total number of vacation hours accrued at the end of the first payroll period in January cannot exceed an employee's vacation accrual for the preceding twenty-four (24) month period. Any excess credit at that time will be forfeited. Except, however, if during the Month of December, the City requires an employee to work their vacation period that was previously scheduled and approved, the amount of vacation worked may be carried over in addition to two (2) years' accumulation.

16.6 Vacation credits will not be available for use until the employee has completed thirty (30) days of service. Whenever an employee with more than thirty (30) days service is laid off or terminated, their vacation time shall be paid in a lump sum.

16.7 **Vacation Scheduling.** Vacation selections shall be by classification on the basis of seniority within the bureau and division thereof in which they are employed.

16.8 Employees will be entitled to exercise their seniority for only one (1) vacation period selection each calendar year.

16.9 A bureau and the appropriate union representative(s) may mutually agree to implement an alternative method of approving vacations. The agreement can cover a work unit, a classification, or an entire bureau. Any such agreement will be made in writing and will be copied to the DCTU and the Bureau of Human Resources Director prior to implementation.

- 16.10 The bureau and the union representative(s) involved agree that either party may terminate an agreement created under 16.9 at any time for any reason upon thirty (30) days written notice to the other party. The bureau will then revert to vacation selections established by the bureau under 16.7 and 16.8.

The deadline for management to respond to vacation bidding and ad-hoc requests will be two (2) weeks for annual bidding from the end of the bidding process and three (3) of the requesting employee's regularly scheduled work days for ad-hoc vacation requests. Ad-hoc vacation requests will be approved or denied as quickly as possible but in no case will it take longer than three (3) days of the employee's regular working days from the date of the request. The employee can escalate the request up to and including to the Bureau director or designee if no answer is received following the three-day timeframe.

- 16.11 Employees shall be permitted to choose either a split or entire vacation. Employees shall have the right to determine their vacation times on the basis of seniority as provided in Article 16.7 and 16.8. However, employees must receive prior approval for use of vacation time. Nothing contained within this Article shall be interpreted to prevent employees from taking one or two day vacations upon reasonable notice and by mutual agreement between the employees and their immediate supervisors.

- 16.12 Once an employee's vacation time has been scheduled, the City shall not cancel such scheduled vacation time unless the needs of the operation so dictate. If the employee's scheduled vacation was canceled, the matter will be subject to the regular grievance procedure. If the City is found to be in violation of this Article, the employee will be paid at time and one-half (1 ½) for the time worked during the scheduled vacation, with no loss of accrued vacation time. Furthermore, the City will make every effort to accommodate the employee in rescheduling the employee's new vacation.

- 16.13 No allowance shall be made to an employee for sick leave during a period designated in advance for vacation purposes; except upon a determination by the Commissioner in charge, or the Auditor as to the department, that the injury or illness was of a serious nature. Prompt notification of the injury or illness, and clearance by the person in charge of the employee's payroll unit, shall be made as provided by City policy.
