

# DEOLINDA ELTRINGHAM

## FOR HIGHBURY AND HITCHIN SOUTH

VOTE GREEN TO ADD AN INDEPENDENT VOICE TO OUR COUNTY & DISTRICT COUNCILS

BY-ELECTIONS ON THURSDAY 10TH MARCH

### WORKING FOR YOU IN HITCHIN SOUTH

**Deolinda has lived in Hitchin for over 30 years, where she's been active at her local parish and inter-faith levels.**

Deolinda has been a resident of Hitchin since 1986, where with her husband she has raised 3 sons. She is passionate about environmental issues and believes in living the changes we wish to see in our community and the world.

With her Chemistry degree Deolinda worked in several laboratories over the years, with a long term interest in the science of Climate Change. So her family has added solar panels to their home, insulated their own home as best as they can and got an electric vehicle.

Deolinda has been an active member of the parish of Our Lady Immaculate and St Andrew all these years. Previously, she has served in her local PTA and been a member of Churches Together in Hitchin. She is now a representative in the North Herts Inter Faith Forum, as well as an active member of Make Votes Matter and the local Green Party.

## LEADING COMMUNITY ACTION ON WASTE

**Deolinda plays a key role in delivering environmental action at her local parish.**

As member of her parish council, Deolinda was instrumental in installing solar panels, wall insulation, LED lighting, and other sustainability projects.

Since 2013 she's been the Hitchin Terracycle coordinator for recyclable waste. Together the collection efforts have been raising thousands of pounds for four main charities, whilst actively tackling our waste problem.

**DEOLINDA STANDS FOR LOCAL ACTION ON GLOBAL ISSUES**

- ✓ Implement 20mph speed limit where people want them
- ✓ Prioritise universally accessible, efficient and affordable transport network
- ✓ Expand true recycling and re-purposing facilities
- ✓ Enabling biodiversity in local ecosystems by rewilding
- ✓ Implement a fairer, proportional election voting system
- ✓ Continue to oppose Luton Airport expansion
- ✓ Ensure the Local Housing Plan meets the local needs
- ✓ Protect high standards of agricultural food production
- ✓ Establish a broad network of EV charging point
- ✓ Support locally the proposed Local Electricity Bill.

**NOT TIED UP BY PARTY POLITICS, DEOLINDA IS YOUR INDEPENDENT LOCAL VOICE**

## WORKING HANDS-ON WITH OTHERS

**Making things happen on the North Herts Inter Faith Forum**

As a representative on the North Herts Inter Faith Forum Deolinda helped organise a joint day on facing Climate Change together. Lately she has been working with other organisations to start a new woodland in Little Hadham.
