T-Shirt Sponsors get the most exposure for their business and the cause!

October 15th-16th *Your own time* Anywhere in the world

We are in the throes of a Climate Emergency, which is compounded by a global pandemic, massive unemployment & intransigent systemic racism. Now, more than ever, we need bold, visionary action.

Cycle4CT is CCAG's way of creating a safe, socially distant funding opportunity to move this issue forward. We need your support! This Challenge will help to strengthen our organizing capacity Connecticut- and to make sure one more state is on a clear, strong path towards a Zero Carbon Future.

A great way for you to help do something meaningful, substantial and concrete is to become a challenger or team, or add your company or name to the Cycle4CT t-shirts. You can view this challenge at: www.ccag.net

Take the challenge physically or fiscally. Together we all win!

Sponsor sizes:

- \$300- Logo ○ Name of business ○ Phone ○ Web
