

ABOUT JOE HUDSON-SMALL

I've lived here in Newham my whole adult life. I've **already been working hard** to make a positive difference with our other Green councillors this past year. I want to **fight back against spending cuts**, climate change, and our poisonous air. I work in IT and have **years of experience working together** in everyone's best interests. As your Green councillor, I can make even more of a difference, and I **will be a strong and independent voice** to stand up for you.

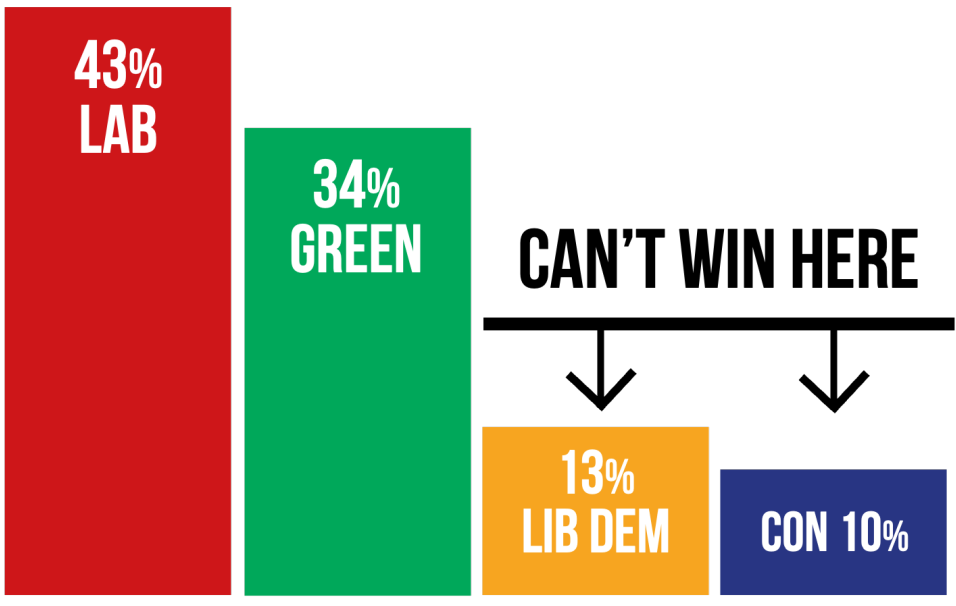

NEWHAM NEEDS AN OPPOSITION

64 out of 66 councillors elected last year were Labour. **Two Greens won, ending the 12 year Labour one party state!** Elect Joe to give Newham Council more balance.

Boleyn has had 11 councillors from Labour in just 10 years as they keep resigning, but **Joe is here to stay.**

3. Which candidate has been working hard to listen to residents and find out what matters to them?

The answer is clear. **Conservatives, Liberal Democrats and independents cannot win here.** Voting for anyone other than Joe Hudson-Small will result in Labour winning and more of the same. **Joe can be a fresh, new voice for our area.**

"I have noticed Joe working hard and listening to act on the issues that matter to me. Only Joe will be a truly independent voice for Boleyn. Joe can win and he has my vote."

"Joe clearly cares about making our neighbourhood cleaner and safer. He's free to speak up for our community and isn't told what to say by his party. I want to see Joe elected as the third Green councillor in Newham."

COUNCILLOR DANNY KEELING

LEADER OF THE OPPOSITION

"It's so important to have strong, independent voices standing up for residents. Greens work hard to hold the Labour council to account, but with just two councillors there's so much more we could do. Joe would add a third Green voice to the council, hold Labour accountable and truly represent the people of Boleyn."

COUNCILLOR NATE HIGGINS

DEPUTY LEADER OF THE OPPOSITION

"Greens can win here. Last year, we made history ending 12 years of Labour holding every seat in Newham and I was elected alongside Danny. Joe has been part of the Green team in Newham since our election last year. Working in a team and consensus building is his day job, and these are skills the council vitally needs. As Boleyn's Green councillor, Joe won't be afraid to speak out for you."
