How to...

Nominate Matt Wrack

for FBU General Secretary

Nomination Process

Election Announcement:
The Branch official will announce the election and inform the Branch of any known candidates seeking nominations at that time.

Branch Meeting
Branch Officials must convene a meeting of the branch ensuring that members are given at least seven days notice.

Candidate Nomination:
The Branch may choose to nominate any of the known candidates or propose another eligible candidate for nomination.

Proposer and Seconder Requirement:
The Branch official must find a proposer and seconder for each nomination from the Branch members. A vote is then held by a show of hands to support the proposal.

Multiple Candidates:
If more than one candidate is proposed, each proposal must be seconded by another Branch member. If a proposal doesn't receive a seconder, it is automatically dismissed.

Once all candidates have been proposed and seconded, a final vote should be taken.
