

Protest Bubble Phone Zap Script

Hello Mayor/Councillor _____,

My name is _____ and I live in _____. I'm also a member of _____ union.

I'm calling because:

- Council is considering a by-law which would restrict protests and pickets in the city

I oppose the by-law because:

- I support our Charter rights to free speech and free assembly
- It would restrict my unions ability to win better contracts for our members
- Our rights are currently under threat from Donald Trump and the United States

The ongoing public consultation process is biased and should be scrapped:

- It uses leading questions
- It allows multiple submissions
- It allows submissions from people outside of Toronto

I am asking you: please reject any by-law which restricts our Charter Rights.

NOTES:

- **Put it in your own words!**
- If you want, you can leave a callback number
- Be firm: we do not accept separate rules for labour - **equal rights for all.**
- If asked who Council should speak to: "I support the Toronto & York Region Labour Council's position. You should contact their office."
