Change Requires Action

Join our Pull Quote Campaign

Occasionally, we get asked about how folks can get more involved in our efforts.

One way is to **join our Pull Quote campaign**. Add your voice to the conversation. We use these pull quotes on social media, at tabling events and in other communications around the state. It's a great way to have an impact!

#IndianaStrong at AIDS Watch 2025

A delegation of 12 Hoosiers is heading to [AIDS Watch](#) this year in Washington DC. For 32 years, AIDSWatch has been more than a conference—it's a force for change. From the halls of Congress to community centers, AIDSWatch has amplified voices, ignited policy shifts, and transformed lives.

[Read this year's policy brief](#) to get an idea of the issues we'll be advocating in DC.

Join us at HIV Is Not A Crime (HINAC6)

HIV is Not a Crime National Training Academy (HINAC) is a biennial gathering of people living with HIV (PLHIV), HIV policy leaders and other stakeholders, primarily from the U.S., that educates and trains advocates and centers PLHIV leadership to end HIV criminalization, mass incarceration, racism and social injustice

HINAC supports intentional and proactive involvement of community activists and PLHIV networks as part of a larger agenda to end disproportionate policing and incarceration of communities of color, trans and non-binary gender nonconforming individuals, sex workers, and substance users.

HINAC helps ensure that these grassroots advocacy and mobilization efforts are informed by the latest science and research, effective messaging and expert strategic guidance from experienced grassroots activists, public health, legal and policy professionals.
