

Making a paper copy that is
printable.

Key elements required to make your printable paper petition valid and effective.

A powerful, action-oriented heading that clearly states the petition's goal.

Clearly name the political representatives or target authorities being petitioned.

Explain the background, urgency, and critical impact of the issue.

Define the specific, concrete actions requested from the addressee.

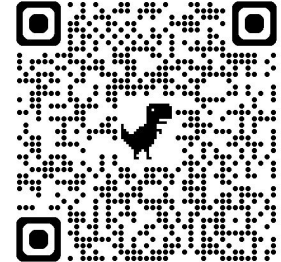

[illegible]

Include your organization's logo, or a QR code, linked to the online petition.

To create a QR code using your computer mouse, you can right-click any webpage in Microsoft Edge or Google Chrome, select "Create QR Code" or "Cast, save, and share", and then left-click the download or copy button with your mouse pointer

To create a logo for your printable petition or petition, go to <https://fridaysforfuture.org/take-action/resources-and-materials/> and select Tool Pic Generator. System does not work well

Once you created your paper version, save your paper petition in pdf format. The version will consist of one page or two pages

1. We use google. Go to file, Download, PDF, Save.
2. Go to action network to your Group.
3. Go to actions, files, save.

Visual matches

Upload the file and locate the new link

1. In action network, the file you downloaded with the link looks like this. It uploads here as a sample of petition to be printed.
2. Press ad copy then the special infinity marker for link.
3. It will look like this below, containing a link of the file.
4. Copy the contents which is the link.

Insert the Link & Verify Your Petition

1

Add Link to Petition

Go back to your online petition:

- Locate the section titled **"Why is this petition important"**.
- Insert the exact text: **"Download and print this petition"**.
- Highlight this text, paste your copied PDF link, and **make the link live**.

2

Test and Confirm

Verify the connection works:

- Save your updates on the online petition page.
- Run a quick live test by clicking the newly inserted link.
- Ensure it properly redirects to download or print your PDF petition template.

KEY REMINDER

Outreach & Community Engagement

The printable copy is vital for outreach.

Initiate with it your contact with residents in your community!

- **Physical Connection:** Having a tangible document makes interactions more personal and memorable.
- **Instant Credibility:** A professionally formatted petition printed out builds trust immediately.
- **Broader Reach:** Engage offline residents who might otherwise miss your digital campaigns.

Print and Mobilize

Ensure you have copies ready before heading out to meet your neighborhood residents.
